*DISCLAIMER: Payments specified in this document are Centers for Medicare & Medicaid Services (CMS) national unadjusted averages and are subject to change without notice. Actual payment rates will vary based on provider contract terms and/or periodic geographical adjustments. Coding information provided has not been verified with any entity responsible for coding policy, such as the AMA, the ICD-10 Committee, or any payer. All reimbursement information provided herein are for illustrative purposes only and shall not be construed as a warranty, statement, promise or guarantee of coding accuracy, coverage nor that payment in the amounts specified will be received. The decision as to how to complete a reimbursement claim form, including codes and amounts to bill, is exclusively the responsibility of the provider. Customers are urged to check with local payers regularly. Reimbursement will vary by site of care, patient condition, range of services provided, local payer instructions, and other factors at the time of claim processing. Current Procedural Terminology (CPT) is a registered trademark of the American Medical Association (AMA).
