

American Association of Tissue Banks

February 17, 2015

Tim Maye
Senior Director, Quality Systems
LifeNet Health
1864 Concert Drive
Virginia Beach, VA 23454

Dear Mr. Maye:

This letter serves to confirm the accreditation extension for LifeNet Health (“LNH”). LNH will have continued AATB accreditation until April 30, 2015. LNH’s accreditation was scheduled to expire on March 4, 2015, but an extension has been awarded until April 30, 2015, as all requirements and timelines have been met during the re-accreditation process.

This letter also serves to confirm that it is best practice to verify a tissue bank’s current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the “Accredited Bank Search” function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jason E. LoVerdi', is written over a light blue horizontal line.

Jason E. LoVerdi, MHA, CTBS
Accreditation Manager
