**Joshua D. Adams**

10/18/1997 - 11/13/2020

Our sweet son Josh was a kind and loving man. He touched so many in his short time with us. He is missed every day – so much by many families and friends. His last act of organ donation has made him our hero!

**Makell Adams-Reid**

3/23/2011 - 7/13/2021

毎日あなたの事を思うと胸が引き裂かれます。会いたくて会いたくて耐えられない夜もあるけどマケが今幸せならそれが私の1番の願いです。

**Katie Mae Andrews**

7/10/1959 - 3/4/2021

A wonderful mom and sister and daughter. She loved her kids to her dying day. She did everything for her family! She was very devoted to her faith. She may have been hard to understand sometimes, but she meant the world to us. We miss you and love you so so much!

**Dean Bagby**

10/16/1957 - 10/5/2020

Aside from being the best husband and father that any family could ever ask for, Dean was the most devoted friend and selfless person we all knew. To know him was to love him and to have him in your life enriched you and simultaneously made you want to be a better person. Donating his organs was his final selfless act. He'd be so proud to know he gave two people the gift of sight. Love you always Sweetie!

**Kimberly Dawn Banta**

3/31/1976 - 6/11/2021

Dearest Kimberly, where do I start to explain how our relationship touched my heart and so many others in so many ways. A daughter, a wife, a niece, and the best sister anyone could ask for. In childhood we were best of friends becoming totally inseparable. We shared life's milestones together, becoming roommates, working together, marriages, and becoming the coolest Aunt Kiki to my daughter Kyra. Until we meet again sweet Shush, all of my love always.

- Your big sis, Alea

**Arnold "AJ" Barbaro, Jr.**

2/5/1989 - 9/7/2021

AJ left this world a better place and left a beautiful piece of himself in every life he touched. AJ had a smile that would light up a room. He had a quick wit and always ready with a joke. He was a great son, brother, and father. AJ loved his family like no other especially his daughter. He is so truly missed by his family and friends.

**Reuben Barnett, III**

7/24/1950 - 1/27/2021

My husband, my rock, my friend, my provider, and companion – a man that truly loved God. I can go on and on about what a sweet, loving, devoted husband he was. At his lowest point in sickness, he always encouraged and challenged me to have faith. He was a mentor and encouraged many. My sweet Reuben rest from your labor in your heavenly home. Love you until we meet again.

**Raymond L. Bassetti**

6/3/1947 - 1/9/2021

You have spent your life serving your community and helping others. You made a huge impact on many lives over the course of your lifetime. Even in death you gave generously. You are so loved and will be greatly missed. Until we meet again in Heaven.

I love you,  
Glenda

**N. Joann Beard**

12/8/1940 - 10/13/2021

Our precious mother, we lost you and life will never be the same. Holidays, phone calls, and your hand-written letters meant so much; your piano playing touched every heart that heard you. There is a void in the world without you, but you live on by your farewell gift of skin and tissue donation. Our hearts ache, but we rejoice knowing you are with Jesus.

We love you, Mom!

Shawn, Sherri Lynn and Scott

**Gary Beckham**

6/20/1946 - 9/11/2021

We had a joke hummingbirds followed you. Is that why they now follow us? Are they looking for food or looking for you as we do – at every creaking floorboard, every falling leaf or snowflake, embracing the forests you loved? Do they miss the flowers or miss you hunting them – a cat with a camera – capturing something more permanent than lunch? Do they miss spring, or do they miss you? Beloved husband – best father – bird whisperer.

**Julie M. Benedetti**

5/5/1947 - 11/22/2020

Mama, you touched everyone's lives with your unconditional love and compassion. You did so much for so many and never expected anything in return. You were strong, determined and endearing. Every day you're in our thoughts, prayers, and hearts. Your legacy will live on forever! We miss you greatly, we love you endlessly.

**Logan Thomas Bonato**

as long as I am living  
my baby you will be.

**Troy Wayne Bowie**

10/28/1961 - 6/16/2020

**Richard Lee Boyce, Jr.**

2/6/1991 - 6/22/2021

Our son was the oldest and he took that to heart. He was very responsible; he always looked after his little sister and still does from Heaven. Richard was definitely happy, he loved life. He enjoyed certain things and when he found those things, he stayed with it. He loved riding his motorcycle with his wife, cousin and friends. He had a smile that would make you smile; it was just that contagious. Richard loved his children – Shyann, Trey, and Lizzy all were daddy’s babies. Shyann had even ridden the motorcycle with him.

Your love for children, animals, as well as comedy and sports made you who you were – generous and kind. Even in death you thought of others. You my angel are our sunshine and are so loved and missed. Until we meet again in Heaven.

We love you,  
Mom and Dad

**Robert Edward Brown**

7/28/1969 - 7/11/2021

I will miss you until the day God calls me home and so will Cambridge and the girls. But we will never feel alone because you have left behind a love that cannot be broken. You spent your life risking yours “so others may live,” and even in death you gave life. Until we are together again, I’m not complete. I’m not Rob – I’m merely here, waiting my turn. I love you!

**David Bulow**

2/4/1980 - 5/6/2021

You were the most patient, loving and devoted husband and father. There was never a day we didn’t feel your love for us. Your ability to capture the hearts and smiles of others will leave the longest and best memories for years to come. Your desire to do good and give to others – however you can – continues even after your passing. You are so loved and missed.

Love,

My husband of nearly 20 years, father of our two children. An avid outdoorsman, hunter and fishermen, a lover of the outdoors and nature. We knew you were different being a Leap Year Baby, you fought a strong fight beating head and neck cancer but in the end the battle was lost. You may have had your share of struggles in life however, in the end you donated your body in order to save the lives of others, a selfless act of kindness. 11 months later due to a car accident, our precious 17-year-old daughter Jaden Elizabeth Gill left this Earth, which has devastated Hunter and I. You're loved and missed.

You our dear, were love to a bruised heart; a voice for the meek; warmth to the souls in need of nurturing; compassion to the ostracized; strength for the weak; you were grit and determination, and you were JOY. 1/14/1993 - 6/14/2021

You no longer feel your pain or need to win the race. In a moment when you were not sane, your huge heart collided with an overwhelmed brain. In that second, you mistakenly believed a lie – that it was better not living and said goodbye. We will always remember your kindness and care; your hard work, smiles, and willingness to dare. We won't forget your struggles and fears; nor the hurdles you overcame and the love of your peers. We will cherish the time we had with you. Rest In Peace, Michael.

**Nicholas William Rathke**

4/29/1981 - 8/22/2021

At age 40, Nick was taken from us too suddenly, and too soon. He was intelligent, funny and quick-witted, independent, loyal, tenacious, reliable, sarcastic, perceptive, hard-working, a raucous video and board game player, and cranky good company. Nick loved anything with two wheels, music, podcasts, and movies, but mostly his family and friends! He was cherished and will be missed beyond measure. Nick was a gift to us, and a life-changing gift to others.

**Flora Register**

2/5/1943 - 6/26/2021

My mom was my best friend, she always put me first since the day I was born. She was the strongest woman I knew and taught me to be strong and independent too. Everyone loved her, she was funny and very smart, but no one loved her as much as me. I'm trying to do my best without her, she is truly missed. She was an organ transplant recipient many years ago and always wanted to pay it forward when she got the chance. She would feel great about her donation, although it is small.

**Paul O. Richardson**

We miss him every single day and love him more than can be expressed.

My lovely, sweet daughter; you were the sweetest kindest young lady I had the blessed opportunity to raise. Everyone who you met was infected with your compassionate spirit. Your hugs were like healing medicine that brought peace to everyone you touched. When you danced, I saw the joy of the Lord in every step and turn. You are our angel who will be loved and forever missed.

Our loving HERO ANGEL, I try to make it make sense in my mind; the only conclusion I come to is that Heaven was needing a hero; someone to stand up for what they believe and follow it through. Someone to make an impact like you did. Even in death you gave a tremendous gift to others. Until joined in Heaven. We love and miss you.

You were husband, father, and grandfather to Marian, Melisa, Sean, Casey, Jody, and seven grandchildren who miss your stalwartness, honesty, and ability to call it like you saw it. You were most proud of having served in the Navy 30 years; always modest in sharing your many accomplishments during service. Once retiring, you found a new passion and opportunity to serve being a Back Country Horseman riding Bart, April and May. Happy trails.
