

## **Tribute Album**

12x12 Creative Memories Album

*Think about this as an album that you will share with others who never knew your loved one.*

**Tribute Page** - opening page in book.

- 3-6 of your favorite pictures
- The tribute that you wrote for the Commemorative Book, or a new tribute that you would like to write for your loved one. (In thinking about length, remember this is going to be on the page with 3-6 pictures.)

**Four Gifts** - you can do a single or double page for each gift.

- Think of 4 gifts of this person gave to the world (i.e. loving, playful, loved family, honest, caring, etc).
- Make an envelop or zip lock bag for each of these 4 gifts and label it. Collect pictures to go in each of these bags. (You can have duplicates made of any pictures you want copies of at any drugstore before you come.

**Celebration Page** - last page in book.

- 3-6 of your favorite pictures
- Write a "Celebration" of this loved one. (i.e. "I celebrate the love you brought to life. The way you brought joy to everyday....ect.")

All materials will be provided for this project, except the personal items (pictures) that you will need to bring. However, you may want to go to a craft store to purchase special decorative scrap booking items that specifically remind you of your loved one. Decorative pages, papers, and journaling boxes will be provided, as well as all of the tools to accomplish some special effects.

By the end, you should have the opening and closing pages done, and some basic layout work done on the inside pages celebrating your the special gifts your loved one gave to the world.
